BOOSTED ONLINE EXPOSURE

Today's market is centered on technology. Buyers are performing their searches online, so it is important that your listing is ranked high and shown in its best light. Studies have shown that online buyers, disregard homes with limited photos, low-quality photos, and minimal information. Rest assured I take the extra steps to get maximum exposure for your listing and give the online shopper a wealth of information, as well as quality photos, and video tours.

listing STRATEGY

PRICING STRATEGY

Using a scientific market analysis in your area, we will price your home correctly the first time so that it will sell quickly.

If your home is priced at fair market value, it will attract the largest number of potential buyers in the first few weeks.

If a home is overpriced it will attract the fewest number of buyers looking to purchase a home. The majority of home buyers look at a lot of homes, and they quickly get a feel for the price range that homes sell for in a given condition and location.

PROFESSIONAL STAGING

To make sure your home is shown in the best light to buyers, I will provide a professional staging consultation to ensure your home is ready to go on the market. A stager's job is to neutralize your home to appeal to the maximum number of potential buyers.

PROFESSIONAL PHOTOGRAPHY

In today's market, home buyers are searching online first. It is imperative that the photos of your home are top notch and of the best quality to catch the buyers attention and stand out from the competition. Having more eyes on your home, is the fastest way to get it sold and sell for top dollar.

AGENT MARKETING

I am part of a very large agent network. I will reach out to this network to see if your home might be a great fit for one of their buyers. This agent network is key to connecting buyers with your home as 88% of residential sales involve real estate agents.

ADVERTISING & MARKETING

I know the importance of marketing a property. This is an area I heavily focus my budget on. My expertise is attracting hundreds of buyers per month, and increasing brand awareness.

MAXIMIZE YOUR HOME'S POTENTIAL

A clean, neutral, and streamlined look helps buyers to imagine what life would be like in your home. The action points below will help them be able to do that.

- Wash or paint the home's exterior
- Paint the front door
- Keep the yard nicely trimmed
- Keep the lawn free of clutter
- Weed and freshly mulch garden beds
- Clean interior and exterior windows
- Apply fresh paint or stain to wooden fences

2 INTERIOR

3 FRESHEN THE PAINT & FIXTURES

- A new coat of exterior paint helps a home's curb appeal. It isn't a low-budget item, but if you can swing it...DO IT
- If you can't paint the entire home, paint the trim. This is a relatively simple thing to do and it helps give a home that wow factor
- Update exterior light fixtures. This can quickly give a home an updated look
- Put a fresh coat of paint on the front door

A PICTURE SAYS A THOUSAND WORDS

A listing's photos are often the first and sometimes only opportunity to attract a potential buyer. Most buyers are finding their homes online and photos are the first impression of your home. Pictures are the key to getting a home noticed, showings scheduled, and therefore sold. As your agent, I will ensure that your listing will be shown in its best light. Many times a buyer has already decided if they are interested in your home just from the pictures online, without ever stepping foot inside your home.

professional VIDEOGRAPHY

VIDEO IS THE NUMBER ONE FORM OF MEDIA FOR ENGAGEMENT

Real estate listings with video receive **403%** more inquiries

Videos attract **300%** more traffic for nurturing leads.

70% of homebuyers watch video house tours

Video gives a prospective buyer a true feeling of moving through a home, and is far more descriptive of a space than still images can ever hope to be.

aerial PHOTOGRAPHY

Using aerial photography in real estate can show buyers a much more accurate depiction of what the property is actually like.

benefits

OF HAVING AERIAL PHOTOS:

- ✔ Provides views of the entire property & land
- ✔ The condition of the roof and other property features
- ✔ The neighborhood and surrounding area, including the home's proximity to schools & amenities
- ✔ Developments or local districts that are supported by the buyer's property taxes

virtual TOURS

A virtual tour is a sequence of panoramic images that are 'stitched' together to create a 'virtual' experience of a location.

Once created, the viewer is able to experience what it is like to be somewhere they are actually not

THE BENEFITS

Utilizing cutting-edge technological solutions, we can narrow in on the most serious buyers. By using virtual tours we can give buyers a good look at your home without disturbing you. Leaving only the more serious buyers to schedule a showing.

They are interactive by design, which means users spend more time exploring than they would look at photos. The more invested in the interaction potential buyers feel, the more likely to take the next step in their purchase journey.

Potential homebuyers don't like to wait and they want all the information now. Never missing another opportunity. A virtual tour allows your home to be on display around the clock.

Exposes your home to a wider audience. Your home can be toured from clear across the country at any time.

property BROCHURES

Property brochures are a memorable marketing piece for buyers to bring home with them after a showing. These brochure outline every detail of your home seen and unseen. We love using these to show all the unique details, photos, neighborhood specs, schools, upgrades and features your home has to offer.

In front of the fireplace is a round wooden coffee table with a white ceramic vase containing dried grasses, a small white cup on a wooden coaster, and a small wooden sculpture. A large, round, white knitted pouf sits on the floor next to a plaid armchair. A window on the left shows a view of a deck. The ceiling has exposed wooden beams and a modern light fixture with three Edison bulbs.

SOLD ON KEEPING YOU

safe

I'VE GOT YOU *covered*

A secure lockbox will be used

This allows real estate agents access to show buyers your home securely. The lockbox holds the keys to the home and is typically found at the front guarded by a security lock that only licensed agents have access to.

Stow away valuables

Before showings make sure that all valuables are put away and out of sight. This includes even mail left out (which may contain personal information and bank statements). Items of value such as jewelry, artwork, cellphones, and gaming systems should also be out of site. It's a good idea to walk through your house before showings and make sure everything of value is out of sight.

Don't allow anyone in without an appointment

Now that your home is online many know that it is for sale. For your safety, NEVER let a stranger into your home. While it is likely that it is just someone that saw the sign in your yard and is interested in getting a quick look, you just never know. Ask them politely to call your agent who handles all showings.

Remove Prescription Drugs & Medication

Clean out your medicine cabinets and any other place you may store medications and hide them away. There have been more and more stories of people intentionally going to home showings to take medications freely.

Put Away Bills & Other Mail Pieces

With identity theft on the rise it is important to put away all mail pieces with your information on them. If this information ends up in the wrong persons hands, it can easily lead to identity theft.

Be extra vigilant on keeping doors locked

Often times a home for sale means home owners are not at home. So be sure to always keep your doors and windows locked.

Keeping your home safe

Once your listing goes live, we provide all the necessary shoe covers, hand sanitizer, protective gear, and friendly reminder signs for all of your showings.

NETWORKING

A large percentage of real estate transactions happen with co-operating agents in the country. I will expose your listing to this market.

SIGNAGE

A sign will be placed in your yard as well as pointers and open house signs before an open house. These will be placed at the most opportune times to gain the most exposure.

SUPERIOR ONLINE EXPOSURE

Buyers in today's market first start their search online. We will meet your potential buyer where they are...online! Not only will your home be featured in the local MLS, it will also be featured on the major 3rd party real estate sites, and syndicated to literally hundreds of other listing sites. Your home will be featured on our company website, and social media.

EMAIL MARKETING

An email will be sent to our current buyer database of thousands of buyers searching for properties on my website. A new listing email alert will go out to my agent network of thousands of agents in the area.

PROPERTY FLYERS

Highly informative and creative property flyers will be displayed inside your home. These help potential buyers remember the key items and unique features of your home.

LOCKBOXES

Lockboxes are essential for the safety of all. They allow an agent to show your house whenever he or she needs to, rather than relying on you the owner for a key. Owners are also expected to vacate the property for showings. Having a lockbox makes this process much easier for all involved.

SHOWINGS

When we list your home, you will also be signed up with a showing service that immediately communicates with you when a showing is scheduled. When feedback isn't left, I will follow up with those agents requesting their feedback within 24 hours.

OPEN HOUSES

After reviewing many surveys, we have discovered the perfect formula for what day is best to list a home and the perfect day for an open house.

SOCIAL MEDIA MARKETING

We practice regular social media marketing on today's top social sites which include and are not limited to: Facebook, Instagram, LinkedIn, Tik Tok, YouTube, and Pinterest.

LISTING YOUR HOME

home SHOWINGS

FLEXIBLE

Be as flexible and accommodating to the buyers schedule as possible. We want to avoid having missed opportunities if at all possible.

INFORMED

Make sure everyone in the home is informed when showings are to happen so they can keep their spaces clean.

DAILY CLEANING

Keep up with daily messes. Wipe down kitchen and bathroom counters before leaving for the day.

ODORS

Avoid strong-smelling foods: Keep your meal prep as neutral and simple as possible.

FURRY FRIENDS

Keep pet areas clean. Clean up after your pets immediately and wash their bedding regularly. Hide pet food or litter. Not everyone is a pet person and it may hinder a potential buyers ability to picture themselves living in your home.

NATURAL LIGHT

Open blinds and curtains and let in as much natural light as possible. Leave lights on before you leave for a showing.

TRASH

Empty trash cans to avoid any odors. Try to empty trash cans nightly so that the home is fresh when you leave for the day.

TEMPERATURE

Keep the room temperature comfortable. This demonstrates to buyers that the HVAC is working properly.

PERSONALS

Make sure you place all valuables and prescriptions out of sight and in a safe place.

VACATE

Having a seller present can make buyers feel awkward. We want to make the buyers feel at home and stay awhile.

OFFERS

Price is just one of many considerations when deciding which offer is best for your home. Here are some of the other factors that matter.

CONTINGENCIES

The fewer contingencies on an offer the better. Shorter time periods are also valuable.

ALL CASH BUYER

A cash offer is usually more appealing than a finance offer as the seller doesn't need to worry about the bank approving the loan.

PRE-APPROVAL

Assures home sellers that the buyer can get the loan they need.

LOAN TYPE

A conventional loan is often the least complicated. This is an appealing choice for sellers. An FHA loan can cause delays because they require certain repairs and approvals.

CLOSING TIMELINE

You might need to close quickly to move on to the next adventure, or you might need to extend the closing to allow time for the next home to be ready. Choosing the offer with the closing time that fits your needs will be most attractive to you.

CLOSING COSTS

Sometimes an offer comes in high, but the buyer asks you to pay a percentage of the buyer's closing costs.

BUYER LETTER

If you care about the future of your home, a buyer letter could assure you that you're selling to someone who will love the home and your neighbors as much as you did.

REPAIR REQUESTS

If the home needs some repairs, but you don't have the time or money to do them, a buyer who is willing to do them for you might be what you need.

OFFER PRICE

Of course, price matters too! If a high offer will cost you more in closing costs, repairs, or other factors—then it probably won't be the better offer.

NEGOTIATIONS

after an offer is submitted:

WE CAN:

- Accept the offer
- Decline the offer

If the offer isn't close enough to your expectation and there is no need to further negotiate.

•Counter-offer

A counter-offer is when you offer different terms to the buyer.

THE BUYER CAN THEN:

- Accept the counter-offer
- Decline the counter-offer
- Counter the offer

You can negotiate back and forth as many times as needed until you can reach an agreement or someone chooses to walk away.

OFFER IS ACCEPTED:

You will sign the purchase agreement and you are now officially under contract! This period of time is called the contingency period.

Now inspections, appraisals, or anything else built into your purchase agreement will take place.

home APPRAISAL

If the buyer is seeking a loan to purchase your home they will need to have an appraisal performed by the bank to verify the home is worth the loan amount. As a seller we want the property to appraise for at least the sale amount or more. It is very difficult to successfully contest your appraisal. An experienced agent demonstrates certain strategies to reveal the value of the home prior to the appraisal.

APPRAISAL COMES IN AT OR ABOVE SALE PRICE

You are in the clear, and closing can be begin!

APPRAISAL COMES IN BELOW SALE PRICE

- Renegotiate the sale price with the buyer
- Renegotiate with the buyer to cover the difference
 - Cancel and re-list
- Consider an alternative all-cash offer

closing THE SALE

The escrow officer will look over the contract and find out what payments are owed by who, prepare documents for closing, perform the closing, make sure all payoffs are completed, the buyer's title is recorded, and that you receive payoffs that are due to you.

YOUR COSTS

Seller commonly pays:

- Mortgage balance & penalties if applicable
- Any claims against your property
- Unpaid assessments on your property
- Real estate agents, for payment of commission
- Title insurance policy
- Home warranty

WHAT TO BRING

Sellers need to bring to closing:

- A government picture ID
- House keys

- Mailbox and any other spare keys

AFTER CLOSING

Keep copies of the following for taxes:
